The PTO Cashier is respectfully requested of making know the applicant of the present application what are the details (including Fax No.) of the financial institutions (bank or loan & savings) which the PTO is used to deal with for clearing travelers cheques. It would be also kind of the PTO Cashier of informing the applicant whether or not in the next future credit card would be accepted as a way of paying the fees, even with small additional charge for compensating for the corresponding cost of cashing. That would greatly simplify the payment of the fees.

With many thanks in advance.

Respectfully submitted

*Philippe* BERNA
